Create online classrooms

In just a few clicks, set up a classroom for each class you teach. Give your classroom a name and select a date range, and you're on your way to creating a syllabus of quality resources for your students.

Build a syllabus using our resources

Quickly choose resources to drop into your classroom syllabus. Set your own date ranges, drag and drop resources to reorder, and add your own custom content. Don't forget to publish so your students can see all their assignments!

Monitor student progress

Monitor student progress and scores on assigned resources in your classrooms. Assign Written Assessments and Reading Q&As and grade them from within the teacher portal.
