WEDNESDAY

**31**  
AUGUST  
2022

GMT-5

09:00 - 09:10

## Welcome Remarks

Gerardo Hernández-del-Valle, In charge of the Directorate of Financial Markets Infrastructures, *CEMLA*

Johannes Ehrentraud, Senior Advisor, *FSI, BIS*

09:10 - 09:40

## Introduction

This session will set the stage by discussing key terms and concepts and giving a broad overview of regulatory approaches and policy responses to cryptoassets based on work conducted at the FSI.

Miguel Díaz, Centre Head, *BIS Innovation Hub Canada*

Followed by a brief Q&A-Session

09:40 - 10:40

## Session 1: Regional priorities in dealing with cryptoassets and stablecoins

The following questions are discussed in this session: What are the challenges facing regulators in Latin America? What are the regulatory/supervisory issues in relation to cryptoasset service providers that authorities are currently focussing on? How do stablecoins fit into the current regulatory categories? Have authorities issued new standards or guidance, or are in the process of doing so?

Ana Cludia de los Heros Méndez, Manager of the Payment System Area, Economic Policy and Markets Division, *Central Bank of Uruguay*

Edgar Eduardo Arévalo de la O, Financial Regulation Specialist *Central Reserve Bank of El Salvador*

Fabiola Herrera, Deputy Manager of Systems and Technological Innovation, *Central Bank of the Dominican Republic*

Moderator: Gerardo Hernández-del-Valle, *CEMLA*
